

KITCHEN CARE

Max Pro Detergent

Heavy duty alkaline dish machine detergent • Non-chlorinated

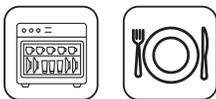

MAX PRO DETERGENT is a highly concentrated, heavy duty alkaline detergent for automatic machine washing of cutlery, dishes, glasses, plasticwares, pots and pans. MAX PRO DETERGENT removes difficult soils such as lipstick, sugar, cream and more.

- Specially formulated for automatic machine washing
- Keeps dishwasher clean and scale free
- Formulated for use in high volume locations where both results and costs are important
- For both low and high temp machines

APPLICATIONS

Glassware
Silverware
Dishware

Cookware
Appliances
Pots & Pans

DIRECTIONS

Dishwashing: MAX PRO DETERGENT is dispensed directly from shipping container into the machine by the automatic dispensing system at preset concentrations. Best results are achieved with the water temperature between 140°F-150°F (60°C-65°C).

Glasswashing: MAX PRO DETERGENT is dispensed directly from shipping container into the machine by the automatic dispensing system at preset concentrations. Glassware must be rinsed and sanitized after washing with an approved rinse/sanitizing agent such as Sanidine.

Automatic Hood/ Filter Systems: Automatically dispensed, usually by timer in preset concentrations to keep systems grease-free and prevent blockage problems.

FOR USE IN FOOD PLANTS: All food should be removed or covered prior to use and food contact surfaces are to be thoroughly rinsed with potable water so there will be no contamination of food as a result of its use.

STORAGE

Store in corrosive resistant container with a resistant inner liner. Keep only in original container. Store locked up. Store in a dry, cool, well-ventilated place.

SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at projectclean.com or by calling 1-800-663-9925. Improper use may result in damage or injury.
