## DIRECTIONS

AGITATE CONTAINER BEFORE USE.

**Heavy Odours:** Fill spray bottle or bucket with ODOUR CLEAN RTU and spray generously onto all surfaces.

Let dwell for 15 minutes to as long as overnight and clean as usual.

**Routine Odours:** Fill spray bottle or bucket with ODOUR CLEAN RTU and spray generously on soiled surface.

Let sit 3-5 minutes and clean using a cloth, sponge or mop. No rinsing required.

**NOTE:** *For the 946ml bottle, remove the cap and replace with a trigger sprayer. Ready to use.*

**CAUTION:** The product shall not be effective in the presence of chemical sanitizers such as quats, peroxide or chlorine bleach.

Try ODOUR CLEAN, an ECOLOGO® Certified cleaner by Project Clean for a concentrated version of this ready to use product.

## STORAGE

Store in a cool, dry place. Keep from freezing. Store upright in original closed container at room temperature away from children. Do not mix with any other chemicals. Dispose of contents/container to an approved waste disposal plant.

## DESIGNED FOR THE FUTURE™

Our commitment to sustainability means we not only dedicate ourselves to creating greener, healthier and safer cleaning solutions, but also manufacturing our solutions through sustainable best practices. By providing our customers with sustainable solutions to enhance the sustainability of their facility care, cleaning process and employee health and safety, together we can share a naturally better tomorrow.

## SAFE HANDLING

Before usage, ensure employees read and understand the product labels and Safety Data Sheet. Directions for use can be found on the label and the TDS. Employees can find hazard warnings, precautionary statements and first aid procedures on the SDS sheets. SDS are available online at [projectclean.com](http://projectclean.com) or by calling 1-800-663-9925. Improper use may result in damage or injury.
