

Fry Baskets

Product # 77P (shown above)

Prince Castle has designed the Frequent Fryer® series of standard fry baskets to allow easy maneuverability under even the hottest temperatures. Baskets are available in sizes that fit many different fryer models. Designed with long, reinforced handles, our baskets make frying safe and easy. Prince Castle's durable wire mesh ensures even circulation of shortening, so you'll get the best possible results, every time. Plus, our heavy gauge wire frames withstand constant use.

Product Features

- High quality baskets designed for safe easy frying.
- Long lasting rugged construction.
- Nickel plated finishes.
- Evenly distributed wire mesh ensures even shortening circulation for better tasting fried foods.
- Sizes to fit many different fryer models.
- Optional plastisol dipped handles available on specified versions.

Fry Baskets
